

Bumper Guide

Bumper Guide Benefits

- *Reflect both sunlight and vehicle lights*
- *Installs in minutes using drive-in concrete anchors*
- *Improves visibility, making it easier for the truck driver to position at the dock*
- *UV protected for maximum life*
- *Aluminum backed to prevent rust*
- *Multi-directional, laser printed reflective materials accentuate the drive line*
- *Designed with low-light applications in mind (inside docks, night loading, shaded building)*
- *Compatible with any type of dock (Pit Style, EOD, Vertical, Scissors)*
